

Honeywell

**Put a new face on
your installations**

Sold in Value Packs of 10

A true end-to-end solution

We think Honeywell's new line of faceplates and inserts deserves some face time. Our comprehensive line provides you with a total end-to-end solution to complete your structured cabling and wiring installs.

Everything from the network panel to the modules and cable – including the faceplates and inserts – are now available from Honeywell!

- Voice, data, video, audio and security solutions
- Choose from 1-6 ports, standard, oversize and Decora® styles
- Sold in convenient Value Packs of 10
- Available in white, almond and ivory

**Contact your local ADI branch (800-233-6261)
or Honeywell Customer Service
(800-467-5875) for your FREE* sample.**
