ADEMCO'S LYNXR WIRELESS SECURITY SYSTEM WITH NEW ADDITIONAL FEATURES AT NO EXTRA COST

With its uncompromising technology and reliability, ADEMCO's LYNXR is as easy to install as it is to use. The all-in-one, integrated design gives you installation flexibility for every job with the proven reliability of ADEMCO's wireless technology. Designed for a quick install, the LYNXR incorporates a control panel, keypad, siren and dialer in one sleek unit and supports all ADEMCO 5800 wireless devices and sensors.

LYNXR does more than provide traditional security, it gives your customers the features they want most - peace of mind, everyday convenience and remote control.

Powerful Features:

- 24 wireless zones of protection and one hardwire zone
- Support four dedicated wireless keys that do not require zones
- Real-time clock
- Full 16-button keypad with easy to read LCD display and status LEDs
- Wall or optional desk-top mounting
- 85db internal sounder with voice siren
- Internal speaker and microphone
- Supports up to eight X-10 devices
- Eight user codes
- 84 event log
- Fully downloadable
- Rechargeable battery back-up
- Scheduling
- Voice siren
- Supports 5804WATCH
