Honeywell Total Connect® 2.0
Voice Control with Amazon Alexa

TransAct

With Honeywell Total Connect 2.0 and Amazon Alexa, keep your home and family safe by using voice to interact with your security system. Don't feel like getting off the couch? Ask Alexa to arm your system for you.

Get started today by saying:

- "Alexa, ask Honeywell, What is the status of my security system?"
- "Alexa, ask Honeywell, Is my security system armed?"
- "Alexa, tell Honeywell to Arm."
- "Alexa, tell Honeywell to Arm Away."
- "Alexa, tell Honeywell to Arm Stay."

The Honeywell Total Connect 2.0 skill is available in the Amazon Alexa app and is free for Honeywell Total Connect 2.0 users.
