Coming Soon: New HD Indoor and Outdoor Cameras

COMING SOON

Video Solutions with Features End Users Want

The next generation of Honeywell Total Connect Video cameras includes two new indoor and one outdoor HD camera that lets end users view video activity from the Honeywell Total Connect platform. Video capture may be triggered by motion or sound with video clips saved in the cloud with a 7-day or 30-day storage plan, and an included SD card as back up if the camera is disconnected from the Internet. This next generation helps you expand your connected home offering and capture new accounts.
